## *ABOUT THE TRUST .....*

Started life as a Study Group in 2004 when the future of the Bakewell Town Hall was uncertain. Following a public consultation the Bakewell Town Council accepted the option for a charity to be established to take over the day to day management of the building and be responsible for it's internal refurbishment.

Established as a Charity and Company Limited by Guarantee in 2006, the Trust formally entered into a 40 year lease on the building on 1 March 2009. A programme of refurbishment was immediately launched. The Town Council, who retain responsibility for structural repairs, carried out a programme of works in 2010 including the installation of a lift making the building accessible to all.

The Trust is managed by a Board of Directors elected by the members who jointly serve as Trustees of the Charity. The day to day management of the building is the responsibility of the Centre Manager assisted by a Caretaker and Housekeeper.
